POSTURE SHIFT

MINISTRY YEARS

IMPACT REPORT 2026

20 YEARS OF EQUIPPING CHURCHES AND FAMILIES

Twenty years ago, few churches knew how to hold their beliefs and still love LGBT+ people well. Posture Shift was launched as a pioneer missionary organization to map a better path forward. And because of partners like you, church leaders are better equipped, families are staying connected, and young people in danger are finding safety. You were there for the first twenty years. We invite you to journey with us another 20 years!

THE MISSION HAS ALWAYS BEEN CLEAR
